**Message from  
Principal's Desk**

Greetings and Jaihind!!

This issue of the Newsletter unfolds the pristine colours of joy that we as mentors have experienced in the months bygone - be it the CBSE results of Classes X and XII, the award winning performances at Sunfest 2016 or the great learning experiences gained by the students through Workshops, Seminars and Edutainment tours.

Our collective aim would be to foster increased student achievement and a more involved parent community. In this reference we would bring about more transparent communication for speedy redressal of issues so that the entire Sunbeam Mughalsarai Fraternity savours win-win conditions.

Warm Regards..

## Parents Forum For KG

Children coming to KG section are too young to understand the concept of schooling and education. In order to demonstrate our teaching methodology and pedagogy, we had organised Parents Meet of KG section on 12<sup>th</sup> April'2016. The meeting provided a platform wherein we were able to explain our teaching process via demo and presentation and at the same time take feedback and suggestions of parents. This interactive session lasted for three hours and ended on a positive note of commitment of joint efforts from both the school and parents to make learning enjoyable for kids.
