3. The text books should be covered only with used paper or bound so that they don't tear during the session.
4. All text books and notebooks should be properly labelled with name, class and section.
5. All notebooks should be of **big size**. Small notebooks will not be accepted in school for correction.
6. Parents are requested to buy the books at the earliest before the stock is sold.
7. Reference books mentioned (if any) are **optional** to buy.
8. Since we believe that the child should carry a few books to school so as to avoid burden on the young shoulders, please see that the child brings books according to the time table.
