Six Strands... One Spirit The DNA of Sunbeam

The Sunbeam DNA is woven from six enduring strands - Gratitude, Service, Adaptability to Technology and New Practices, Rootedness in Tradition, Health & Well Being, and Sustainability - all held together by one unifying spirit that defines who we are. These strands shape every Sunbeam learner and leader, guiding our choices, enriching our classrooms, and empowering our journey forward. Each page of this calendar brings alive one strand, celebrating how Sunbeam blends heritage with innovation, compassion with courage, and purpose with responsibility.

Together, they form the DNA of Sunbeam.

Attitude for gratitude: The mantra that is sacred to every Sunbeam! Being thankful for the benevolence that comes our way and acknowledging it every day is the plinth of the value code at all Sunbeam schools saying grace before meals, saluting the national flag, a gift of nature to the loved ones are all manifestations of this great virtue!

Sustainability

One Earth, 'let's care and share' guides the practices in every Sunbeam school. The assemblies and classrooms are forums where sustainability is discussed and advocated. Student agency can be seen in the drives for a polythene free campus, conserving water and electricity, and opting for bicycles rather than fuel-consuming modes of transport. Conserving resources, reusing and recycling to reduce wastage, and eco-consciousness ensures that Sunbeams are ambassadors of a healthy planet!
